

# STOCKS & RECOIL PADS

## PACHMAYR RECOIL PADS

Pachmayr Decelerator Pads are the finest recoil absorbing pads on the market today. They are based on proven designs that are made from a completely new material and elastomer with greater shock absorbing qualities than rubber, but can be easily ground without oozing or gumming. Maintains shape even when stored butt down.

All Decelerator pads are 1" thick, available in black or brown as noted, with black base. All pads have a fast mount skeet face. **MUST BE INSTALLED BY A QUALIFIED GUNSMITH!**

## PLEASE READ IN REFERENCE TO TIMNEY TRIGGERS

Due to Timney's manufacturing process, they can be extremely hard to get in stock. For instance, we have listed the Arisaka Triggers for two years with the hope each catalog that they will ship them. For reasons outside of our control, they have not been shipped. Believe us, we understand your frustration. You've invested in the idea of having a product that is listed for sale. This is the case with several other triggers that are listed below. **PLEASE UNDERSTAND**, our operators have no control over Timney's manufacturing. If you have questions, comments or complaints, about Timney Trigger's, we are sure they would love to hear them. Phone: (602) 274-2999. Or Mail: Timney Manufacturing, Inc. 3940 W. Clarendon Ave. Phoenix, AZ 85019

**PLEASE NOTE: WE ARE NOT A WARRANTY STATION FOR TIMNEY TRIGGERS AND WILL NOT ACCEPT ANY RETURNS FOR ANY REASON ON TIMNEY TRIGGERS! MAKE SURE OF WHAT YOU WANT BEFORE YOU ORDER THESE AND HAVE A QUALIFIED GUNSMITH DO THE INSTALLATION! AGAIN, WE WILL NOT ACCEPT ANY RETURN ON THESE AND DO NOT GUARANTEE THEM. RETURN DIRECTLY TO TIMNEY MFG. IF YOU HAVE A PROBLEM!! BE SURE BEFORE ORDERING THAT YOU ARE GETTING WHAT YOU ACTUALLY NEED!!!**

## TRIGGER GAUGES

-0-12 Pound Range  
-1/10 Ounce Accuracy  
-10 Pull Averaging  
-Reads in Kilograms  
-Strain Gauge Technology

Lyman

**Trigger Pull Gauge** - The Lyman Trigger Pull Gauge is designed to be the fastest and most accurate Trigger Pull Gauge available on the market. Unlike other gauges, there are no weights or sliding pointers to contend with. Simply place the gauge on the trigger and pull! This instrument will accurately record the results, as you can take multiple readings and then take the average weight for the string at the touch of a button!

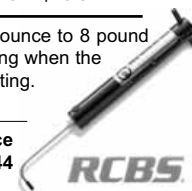

<b>Order No.</b>	<b>Price</b>
015-7832248	\$46.07

**Premium Trigger Pull Gauge** - This scale measures from 8 ounce to 8 pound trigger pull, and the sliding indicator stays at the highest reading when the trigger releases. The trigger wire is coated with a non-slip coating.

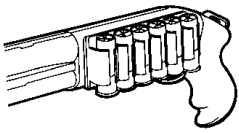

**Order No. 044-87307 \$29.93**

**Order No. Price**  
Trigger Pull Gauge 044-9450 \$18.44

## SIDESADDLE SHOTSHELL CARRIER

The sidesaddle easily mounts to the receiver of your shotgun and conveniently places extra shells at your fingertips. The injection molded polymer carrier resists moisture and temperature extremes. Available in a 6 shell model for tactical or defense shotguns.

015-3114	4mm Red .450" Riblock	12.09

The P100 series shotgun sight utilizes a 4mm diameter fiber optic rod and provides superior performance when shooting fast moving targets. Its unique construction enables it to be mounted anywhere along the rib of the shotgun, from muzzle to breech. Made of high-impact plastic, it snaps on the rib of most shotguns. No tapping, drilling or gluing required. Available in red or green, seven sizes to fit most shotgun rib widths.

## P100 4MM DAY/NIGHT SERIES RIBLOCK MOUNT

Comes With 4 Cyalume Night Sticks

Order No.		Price
015-3125	Red .255" Riblock	\$18.14
015-3127	Red .290" Riblock	18.14

015-3133	Red .385" Riblock	18.14

The Uni-Dot P100 D/N (Day/Night) Shotgun sights utilize a 4mm fiber optic rod and a Cyalume® lightstick to provide instant sight alignment in daylight or darkness. It's designed for sportsmen who need that extra edge in low light conditions. Whether in the duck blind, early morning or early evening hunting, Uni-Dot provides the sight -day or night.

## P200 2MM FIBER OPTIC ADHESIVE

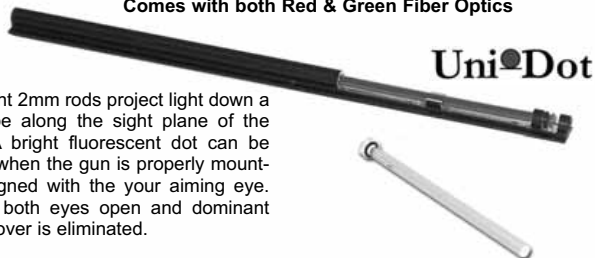

Order No.		Price
015-3202	2mm Green Adhesive Mount	\$12.09
015-3203	2mm Red Adhesive Mount	12.09

The P200 Series is made of black anodized aluminum and incorporates a much smaller fiber optic rod (2mm) for greater accuracy in precision target shooting. One size-fits-all. It attaches to the shotgun's rib with a high shear strength adhesive strip that will hold over 100 lbs.

## P210 2MM INTERCHANGEABLE FIBER OPTIC MOUNT

Comes with both Red & Green Fiber Optics

These bright 2mm rods project light down a narrow tube along the sight plane of the shotgun. A bright fluorescent dot can be seen only when the gun is properly mounted and aligned with the your aiming eye. Sight with both eyes open and dominant eye cross-over is eliminated.

### RIBLOCK MOUNT      ADHESIVE MOUNT

## LUMA GLOWING RING INTERCHANGEABLE FIBER OPTIC MOUNT

Comes with both Red & Green Fiber Optics & Two Green Cyalume Lightsticks For Low Light Conditions

Requires No Gunsmithing

Uni-Dot

The Halo sight provides a precise bulls-eye image for the shooter to zero in on the target. A tiny ultra bright fluorescent dot is encircled by a perfectly round "Halo" of light when the firearm is brought into alignment with the target.

The sight's body is constructed of rugged anodized aluminum and utilizes three sets of polymer mounting rails, which are designed to snap on the rib of most shotguns. In addition to pinpoint sighting, the Halo sight serves as a Distance Indicator, for example, if a turkey fits inside the Halo of light, it is further than 35 yards away.

### RIBLOCK MOUNT      ADHESIVE MOUNT

### LYMAN TARGET SIGHTS

Lyman has recreated the sight that Lyman Gun Sight Company was founded on in 1878. It has been designed for the Winchester Model 94 and is featured on the new Winchester 1894 Centennial. The No. 2 features height index marks on the aperture and is elevation adjustable only. It comes with both .093 hunting aperture and a .040 target aperture. The Winchester 94 Tang sight fits Win models 1894, 1885, 1887, 1890, 62 and 62A. The Marlin Tang sight fits models 336, 1894, 1895 and 30 series lever actions. The new 1886 model fits Winchester 1886 and Browning replicas. Note: these will not fit rifles with a tang safety.

### LYMAN 57 AND 66 UNIVERSAL RECEIVER SIGHTS

Lyman 57 and 66 Peep Sights have long been favored by shooters and hunters. 57 is for rounded receivers and 66 is for flat receivers. Features include audible click micrometer adjustments for elevation and windage, quick release slide, coin slotted stay-set knobs and two interchangeable aperture discs (large hunting aperture and small target aperture) for any shooting condition. Some models require drilling and tapping to be installed! Check with Lyman at 1-800-22L-YMAN about your model gun!

### PARADOX® 12 GA. OR 20 GA BARRELS WITH EXTENDED SCOPE MOUNT OR RIFLE SIGHTS

All Hastings® Paradox® Rifled Shotgun Barrels are direct off the shelf replacement barrels for shotguns listed. Six lands and grooves and a 1 in 34" twist (12ga.); 1 in 24" twist (20ga.) increase slug stability and amazing accuracy.

Savvy slug shooters scope their guns, both for target acquisition and safety. Field tests prove that groups can be tightened as much as 350% by adding a scope. And, because of the brighter view you get through a scope, you have added a maximum safety factor. Hastings barrels with scope mounts can be removed and replaced without loosing zero. Barrels available with rifle sights or extended scope mounts as listed. NEW controlled Sabot Discard (CSD) barrels have all of the features of the Hastings® Scope Mount plus an integral muzzle brake which reduces recoil, muzzlejump and improves sabot separation for improved accuracy. Increase your slug stability and accuracy with a PARADOX® RIFLED SHOTGUN BARREL by Hastings®.

## REPLACEMENT CHOKE TUBES FOR TEH SERIOUS TURKEY HUNTER

FOR TECHNICAL ADVICE OR QUESTIONS ON FIT/GUARANTEES, ETC., CALL HASTINGS AT 913-632-3169

**Super-Full Hastings® Special Extended Turkey Chokes** direct ultra-tight patterns with buffered lead and copper plated shot to concentrate pellets with intensity energy to quickly dispatch your bird. These extra-long 3" chokes with long conical and 1.1" parallel cylinder constrict shot gradually with fewer deformed pellets resulting in super dense patterns. Made of 17-4 Stainless with nonreflective blue finish. Extends up to 1½" beyond the muzzle with some choke systems. Available in eight sizes for fine tuning to your gun.

**Last three digits in part number identify choke parallel diameter. NOT FOR USE WITH STEEL SHOT!**

Finding, or developing, the combination of choke, ammunition and shot size that delivers the densest pattern is a lot like working up an accurate handload for a rifle. But rather than trying different bullets and propellants to discover which combination produces the tightest groups, you try different combinations of shot and tubes to learn which delivers the tightest patterns. We recommend you start with size marked with a star (*)	Browning® Invector® Mossberg® Savage®, Smith & Wesson®, U.S. Repeating Arms®, Winchester®					Browning® Invector® Plus®	Tru-Choke™ 12 ga. ## REPLACEMENT QUICK CHANGE™ CHOKE TUBES

Extended Quick Change™ replacement chokes tubes are computer (CNC) machined from 17-4 Stainless Steel and are suitable for all sizes of lead shot. Extended chokes protrude ½" beyond the muzzle and feature diamond cut knurling for easy finger grip quick changes. These bright stainless chokes are recommended for use in over/unders or single barrels and give excellent patterns in the fields of Trap, Skeet, Sporting Clays and specialized hunting. Available in seven sizes in .2mm (.008") increments.

### How to use the Hastings Choke Tube Number System

Each choke size is available in increments of .1 millimeter which equals .0039" (approx. .004"). The cylinder choke No. 0 begins at the nominal bore diameter of your barrel and gets tighter to No. 12. To calculate the constriction, multiply the number of the choke by .004" EXAMPLE: Number 6 choke x .004"=approximately .024" constriction.

Hastings tough 17-4 Stainless Steel Waterfowl Chokes- Extended steel shot chokes are special heat treated, black oxide coated, non-reflective and suitable for all sizes of steel shot including T & F

## COMPENSATOR TURKEY CHOKES

Hastings Compensator Turkey Chokes feature tight constrictions with high tech porting to reduce secondary recoil. Elliptical ports are cut annular to the choke to allow full support for the wad/shot column as it exits the barrel. Large port openings quickly free gas pressure into the atmosphere lowering muzzle pressure to reduce the effects of rearward thrust.

### PORTED TURKEY CHOKE TUBES

Designed for the Serious Turkey Hunter each Super Full Choke has been specifically bored to throw the optimum pattern at short and long distances. Each choke is ported, allowing gases to escape quickly, reducing recoil and muzzle jump in the process. Chokes are manufactured from aircraft stainless steel and a blue non-reflective finish has been added. Additionally each choke is knurled, allowing for fast, easy removal and insertion. Lifetime warranty.....\$28.51ea (\*\$31.81)

## FLUSH MOUNTS SLING SWIVELS

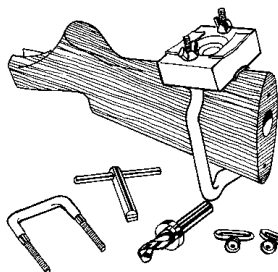

Pachmayr Flush Mount sling swivels offer a unique, clean design that has been copied, but never equaled. Mounts are threaded into the stock for the greatest strength and security. Must be installed by a qualified gunsmith.

Order No. 010-03291 Price \$14.64

## SWIVEL INSTALLATION KIT

**Pachmayr Flush Mount Installation Kit** - In order to properly install Pachmayr's Flush Mount Sling Swivel Set, an installation kit should be used. The installation kit provides the necessary drilling fixture to accurately and cleanly drill stocks for the flush mount sling swivels. The installation kit includes a universal mounting base that is equipped with a hardened steel drill guide, a specially ground two-step drill with pre-set stop collar, padded stock clamps, and swivel installation tools. With this installation kit, swivels are installed with a professional appearance. The perfect finishing touch for the serious rifleman. Works on both wooden & synthetic stocks.

Order No. 010-03285 \$95.55

## CARTRIDGE SLINGS

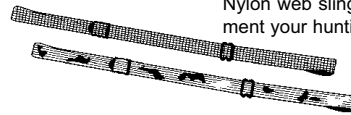

Padded cordura nylon sling provides comfort and durability. A new feature lets you carry extra ammunition/shotshells (6 rifle, 9 shotshell) in the cartridge loops. 1" wide strap measures 48" long.

Order No.		Price
060-26972	Black Rifle (6 Loop)	\$14.97
060-26982	Black Shotgun (9 Loop)	14.97

## UTILITY NYLON SLINGS

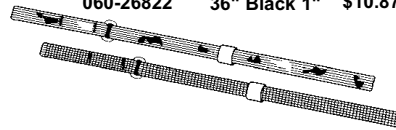

Nylon web slings 1" and 1 1/4" can take whatever punishment your hunting trip can dish out.

Order No.		Price
060-26702	1" x 48" Black	\$6.78
060-26703	1 1/4" x 48" Black	7.45
060-26712	1" x 72" Black	7.45

## QUICK-ADJUST NYLON SLINGS

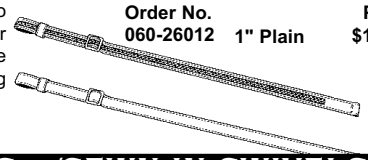

Order No.		Price
060-26822	36" Black 1"	\$10.87

The ingenious Quick Adjust Sling lets you adjust the length with one hand, quickly and simply, with no loose ends to get in the way. Change from an over the shoulder carrying position to a shooting stance as a hasty sling in seconds.

## LEATHER CARRY STRAPS

Quick to install, easy to fashion into a hasty sling, these tough leather straps have an oiled finish and are designed with either plain. Sliding buckle adjusts easily for length.

Order No.		Price
060-26012	1" Plain	\$13.58

## ULTRA SLINGS w/SEWN-IN SWIVELS

Premium padded nylon slings for hunters and shooters who want comfort and quality. All models have a durable Cordura nylon shoulder pad with cross-stitching for extra strength and quilting to prevent roping up. 1" x 48"

Order No.		Price
060-26724	Ultra Mossy Oak w.Sewn-in swivels	\$16.31
060-26764	Ultra Black w.Sewn-in swivels	16.31

# SLINGS & SWIVELS

"THE CLAW" SLINGS BY QUAKE INDUSTRIES

## THE CLAW ORIGINAL RIFLE SLING

The Claw® Rifle Sling utilizes the latest in "soft touch" materials. The durable, non-slip polymer pad is molded directly onto the sling webbing and will allow approximately 1/2" of stretch. As an added value, The Claw® Rifle Sling comes with our patented Hush Stalker II™ Sling Swivels which will not squeak, rust or rattle, and are 2 1/2 times stronger and lighter than conventional metal swivels. These swivels fit all standard studs and will not dent or mar the finish on your stock.

Order No.	Color	Price
215-500001	Black	\$16.94
215-500018	Camo	16.94
215-500025	O.D. Green	16.94
215-500063	Brown	16.94
215-500100	Sand Camo	16.94
215-500124	New! Break-Up	26.60
215-500155	New! Hardwoods HD	26.60

## THE CLAW CONTOUR RIFLE SLING

Includes 2 Hush Stalker Sling Swivels!

Order No.	Color	Price
215-530008	Black	\$16.94
215-530015	Camo	16.94
215-530060	Brown	16.94

The same durable non-slip, weather resistant sling as the standard Claw, but with a tapered design to fit the shoulder closely.

## THE CLAW 3 POINT SYSTEM

Includes 2 Hush Stalker Sling Swivels!

Order No.	Color	Price
215-520009	Black	\$22.26
215-520023	O.D. Green	22.26

The CLAW® 3-Point Sling offers hunters the extra stability of a third point. The sling is fully adjustable for a secure fit. With multiple hands-free carrying positions, hunters can rest assured this comfortable sling can be quickly drawn into a 3-Point shooting position.

## THE CLAW SHOTGUN SLING

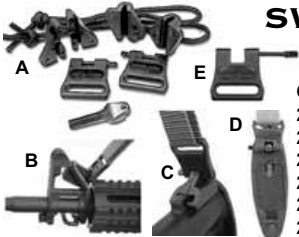

Adjustable Cinch for a Secure Fit

Order No.	Color	Price
215-500032	Black	\$14.98
215-500049	Camo	14.98
215-500087	Brown	14.98

The Claw® Shotgun Sling is designed to slip over the barrel and butt of any single or double-barrelled shotgun, cinching tight for a safe and comfortable fit. It is fully adjustable for length and the barrel strap is lined with a soft suede pad for barrel protection.

## GRIP STYLES

# Pachmayr

### GRIPPER STYLE

Made from a specially formulated rubber compound optimized for control and recoil absorption. Features finger grooves, a slight palm swell and a covered backstrap.

### GRIPPER PROFESSIONAL

A smaller version of the gripper Grip. This features an open backstrap. Perfect for smaller hands and or concealed carry.

### GRIPPER DECELERATOR

The same as the Gripper, featuring the finest recoil absorbing material available.

### COMPAC GRIPS

These special rubber compound grips are designed for control and concealability. Secure non-slip finish is the first choice for concealed carry.

### PRESENTATION GRIPS

This classic, original rubber grip design by Pachmayr is deeply checkered and has a classic style. Presentation grips are also designed to be the best pointing grips available.

### AMERICAN LEGEND SERIES

Pachmayr's new American Legend offers you the best of both worlds, by combining the feel and appearance of wood with the performance, gripability, and control of rubber.

### SIGNATURE GRIPS

Features Pachmayr's Patented full wrap-around design. This rubber compound is specially formulated for semi-automatic pistols

## THE GRIPPER FOR T/C CONTENDERS & ENCORES

**Contender Accessories from Pachmayr**-Three grip design offer the best control for this heavy recoiling handgun. Each features a patented air pocket recoil chamber and deep checkered finish. (Does not work with G2). The Pachmayr TC Contender forend fits all round barrel models including 12" and Super 14. Will not fit Super 16. The forend adapter adapts one forend for use with either 10" round, 12" or Super 14 barrels. Forend has adapter built in. Can be changed to fit either 10", 12" or 14" T/C Contender barrels.

E- Adapter One Size Fits 10", 12", 14"	010-03381	\$10.83

**T/C Encore Grip and Forend Set** - Pachmayr tames even the hardest-kicking T/C Encore using the proven Decelerator material, Pachmayr has crafted a grip and forend that deliver far greater control while softening recoil. In addition to recoil control, the Decelerator material offers a more secure, consistent grip that can actually enhance accuracy, especially at the range when firing multiple shots. The softer forend provides for a secure, steady rest on any handy surface in the field. Best of all, fast, easy installation and superior fit have always been Pachmayr hallmarks and these Encore items are no exception.

	Order No.	Price

## TACTICAL SHOTGUN GRIPS

**TAC-STAR™**

### NEW! Slip-on Grips (fit all Tac-Star Grips)

Our Tactical Shotgun Grips are designed with the proper width, rearward angle and back swell to distribute recoil energy evenly into both hands. The shape, the angle and the fingered notches all add up to painless positive control of the shotgun. Injection molded from high impact resistant ABS polymer. Forend grip and rear grip sold separately. You need to order one of each to use on your shotgun! NEW! Add improved control and recoil absorption to the Tactical grips with the NEW SLIP-ON GRIPS!

	Order No.	Price
