Pricing & Typographical Errors

PRICES & TYPOGRAPHICAL ERRORS: Prices in this catalog are EFFECTIVE January 1st, 2009 and are SUBJECT TO CHANGE WITHOUT NOTICE. We are human, and due to the sheer volume of items that we carry, errors do occur. We cannot be held responsible for typographical errors or price misprints contained in this catalog. We apologize in advance. Please ask for or check our website for current prices.

COMPONENT & AMMUNITION UPDATES: While prices do seem to have stabilized somewhat, availability seems to be the issue this year. As the new administration settles in, demand for shooting related products has more than doubled. Manufacturers are trying their best to supply what is being ordered, but it seems they are having a hard time catching up. The prices shown in this catalog are current as of February 2009. We apologize for any increases or price discrepancies in advance.

Shipping Information

MIDSOUTH'S HONEST SHIPPING: We charge only what it costs to get a package from us to you. We do not use shipping as a profit center. We obviously want to keep your shipping charges as low as possible to keep you happy with our service.

HAZARDOUS MATERIALS CHARGE: Hazardous Material Transportation Charge will be \$22.50 per package (\$32.50 if Air service). If you order 5,000 primers or 20,000 primers, there is a \$22.50 charge. This charge is not per order, but per box leaving our shipping dock with a Hazardous Materials Label. Each case of powder is a \$22.50 charge. Powder and primers may be shipped together in any ground shipment for one hazardous charge provided the total weight of the order (including packaging) remains below 60lbs. We will always try to ship your boxes as economically as possible. **MSDS:** Sheets available for hazardous materials upon request.

COD FEES, SERVICE FEES & FREIGHT CHARGES: The UPS COD fee is now \$9.50 per box. Remember, this is not per order, but per box leaving our dock. If we must use 2 boxes, there will be 2 COD fees applied. If you place an order that requires several boxes for COD shipment, there will be a COD fee on each box. Freight is added to all boxes in addition to the COD fee. Freight Charges are based directly on carrier freight charts for your zone of shipment. See Payment and Refunds for COD Payment Requirements.

OVERSIZED BOXES: We try to ship all orders in as few packages as carriers will allow, but many of the large rifle and shotgun plastic carrying cases we sell are oversized for shipment. They cannot be mailed through the Post Office. Some of the cases weigh only 7 to 8 pounds but the 30 or 70 pound charge appears on your invoice. **HOW TO EFFICIENTLY USE THIS:** If you order other items we can safely put them inside the case and get up to 30 pounds or more, we then simply invoice the weight charge for the box. The extra parts must fit into the case (bullets, ammo, holsters, die sets and other small items work good for this).

Returns

RETURNS: Returns of non-defective, unused products must be in 30 days or authorized by Midsouth. No returns on powder, primers, percussion caps, ammo, software or liquids. There will be a up to a 20% restocking charge on all returned merchandise, except where we have shipped the wrong item. Sorry, no credit on returns until our return department or the factory determines the product is defective or packaging is not damaged for resale. All returns must have a return authorization. This is important! Software problems must deal directly with the factory. No returns on Special Orders. Returns on products manufactured by Savage, Nikon, Leupold, Burris, Streamlight, Barnett, Traditions & RWS must deal directly with the factory as well. Refunds on products over 30 days past purchase date will be issued in Midsouth Gift Certificate Only! Phone calls may be monitored for quality assurance.

Payment & Refunds

Sorry! We do not accept personal or business checks and we do not offer open accounts!

CREDIT CARDS: WE ACCEPT VISA, MASTERCARD & DISCOVER ON THE PHONE, WEB, FAX & MAIL ORDERS. We must have your home mailing address for credit card verification. Just give us your name, address, phone number (home and/or work), card number and card expiration date. All cards are cleared through a Master Clearing Center. **WE DO NOT ACCEPT AMERICAN EXPRESS**

MONEY ORDERS / CASHIER CHECKS: We do accept Money Orders and Cashiers Checks in US Funds only.

COD ORDERS & FREIGHT: All COD orders are shipped cashier check or money order only - through UPS Ground Service only (Sorry, no 2nd or Next Day service unless to Hawaii or Alaska). If this is not acceptable, please do not order COD.

REFUNDS: Credit / Debit Cards: Depending on your credit card agreement, refunds can take from 24 to 48 hours to show up on your account. **Money Orders and Cashiers Checks:** If any refund is due from prepaid orders it will be mailed to you. Please allow 10 (ten) days after shipping date to receive refund.

RETURNS AFTER 30 DAYS: Refunds on products over 30 days past purchase date will be issued in Midsouth Gift Certificate Only!
