CASE Quantities!

CASE
SAVINGS!

FREE
Haz-Mat!

FREE HAZMAT is qualified for by Ordering (or placing in cart) 1 case of FIOCCHI Primers. FedEx Ground or UPS Ground only, No international orders, no backorders, in-stock items only. Does not apply to previous orders, or backorders. Once qualifications are met, you may add other primers and powders to your order under the Free Hazmat.

Overpacking - We are one of the few companies that will pack primers and powder together! This keeps you from having a separate Haz-Mat Fee on one box of primers and another on powder. The extra "Overpacking" effort saves you money on Haz-Mat fees! FYI: We can get about 50lbs in one Haz-Mat shipment!

NEW!

Precision Rifle Powder is formulated for use in mainly .223 Remington/5.56mm but also works well in bench rest rifle calibers such as 6mmBR, 6.5 Creedmoor and .308 Winchester. Precision Rifle is a canister form of Lovex bulk propellant S062. Precision Rifle Smokeless Powder has a similar burn rate to Varget and IMR 4320 with a high density, double base, extruded formula.

Shooters World Smokeless Powder By Lovex - Midsouth Shooters now offers another addition to our already great selection of smokeless powder, Shooters World Propellants. Shooters World has set out to supply competitive shooters and reloaders high quality, clean powder at an affordable price. By taking bulk OEM Lovex powder, which is used by most powder companies known by reloaders, and breaking it down into smaller quantities, Shooters World provides an affordable option to shooters everywhere.

New! The Lee Auto Breech Lock Pro Press!

NEW - From LEE Reloading! The Lee Auto Breech Lock Pro is as automated as you set it up to be. This press has all of features you need and none of the frills you don't. Using the Breech Lock Bushing system, caliber changes are quick and the shell plates hold your cases steady and firm. The Breech Lock Pro comes complete with all of the tools you need to set up and keep it running. There are no adjustments needed once it is set up. The user has to make initial die adjustment into the Breech Lock bushings. Once set, the Breech Lock system allows for instant change. Just add dies and a shell plate (Sold below) **Order No. 006-90900**

Features:

- High Quality Components
- Breech Lock Quick Change Bushings (4 Included)
- Adjustable Length lever
- Primer Disposal Tube
- Built In Tool Holder Rack
- Exclusive Auto Case Placer with No Adjustments
- Includes Large and Small Priming Arms
- Wood Roller Style Handle
